

The UNPS-Cache Chapter Presents

Statewide Annual Members Meeting

Saturday, October 17 at 1:00 p.m.

Cache Valley Learning Center

75 South 400 West Logan

For more information, contact Michael Piep (fungi@biology.usu.edu or 435-755-3227)

This is the annual general members meeting and New World Pot Luck.

Dr. Roger Kjelgren will speak on using native plant materials in the landscape.

The yearly business meeting will take place immediately following.

**There will be a garden tour at the home of Jim Haefner & Alice Lindahl.
1738 Country Club Dr. Logan**

This is the home of the late Art Holmgren, and will be a great opportunity see the skeleton of an amazing gardening treasure here in Logan.

The tour will begin at 11:00 am.
