

UNPS Annual Meeting and New World Potluck

Featured Speaker: Karen Mock USU On Aspens, Utah's State Tree

Saturday, November 5, 2016 1:00-4:00 p.m.

Provo Library, 550 North University Avenue, Provo

Hosted by the Utah Valley Chapter

This is always an enjoyable gathering of UNPS members where we share a potluck meal celebrating the fall harvest and have the chance to socialize and discuss the adventures of summer. UNPS President Robert Fitts will give an opening presentation in honor of the 100th anniversary of the National Parks, followed by the featured presentation by Dr. Karen Mock, Wildland Resources Professor at Utah State University, on Aspens. There will be the election of UNPS board members for the coming year. Please bring a dish to share, everyone is welcome, bring a friend.
